CONFIRMATION OF ORAL RESTRICTION REQUIREMENT AND ELECTION

Commissioner for Patents
P. O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

This is to confirm the recent telephone discussion between the Examiner and the undersigned regarding a two-way restriction requirement involving product claims 1 to 11 and process claims 12 to 25 and applicants' election, with traverse, of the latter group, namely claims 12 to 25. The election is made with traverse because there is no indication in the record that the subjects matter of all claims cannot readily be examined in one application.

An early examination of at least claims 12 to 25 is earnestly solicited.

Respectfully submitted,

PARKHURST & WENDEL, L.L.P.
